2024-2025 COMMUNITY REPORT

Message to
Our Donors

Over the past two years, the generosity of our donors has made a meaningful difference across our region. During 2024 and 2025, the UPMC Altoona Foundation invested more than \$2 million in sponsorships and grants to support UPMC Altoona, scholarships, caregivers, and myriad community organizations.

These grants helped strengthen our hospital’s ability to serve its patients and advance programs focused on education, behavioral health services, and community well-being.

From direct grants and sponsorships, to investments in school programs and local EMS providers, your philanthropy continues to touch lives in powerful and lasting ways. None of this work would be possible without the extraordinary commitment of our donors. We would particularly like to thank our Founders Club members who take the lead in philanthropic giving to the foundation annually.

On behalf of the entire UPMC Altoona community, thank you for believing in our mission and for partnering with us to improve health and quality of life across our region. Together, we are making a lasting impact—today and for the future.

Thank you for taking the time to review our report to the community.

Grant Support
by Area of Impact

Total Grant Support:
CY 2024 - CY 2025

From 2024–25, foundation and hospital sponsorships supported community events and engagement while also investing in initiatives that strengthen health, arts, and education.

Together, these investments reflect UPMC Altoona’s commitment to being an active and trusted partner in the communities we serve.

The UPMC Altoona Foundation is grateful for the generous support of donors whose philanthropy makes it possible to invest in programs, services, and equipment that strengthen patient care, support our workforce, and improve health throughout our community.

The following highlights summarize grant funding by area of support, reflecting the breadth and impact of these investments.

Support for Emergency Services
